

# Aggiungi Quiz Preliminare

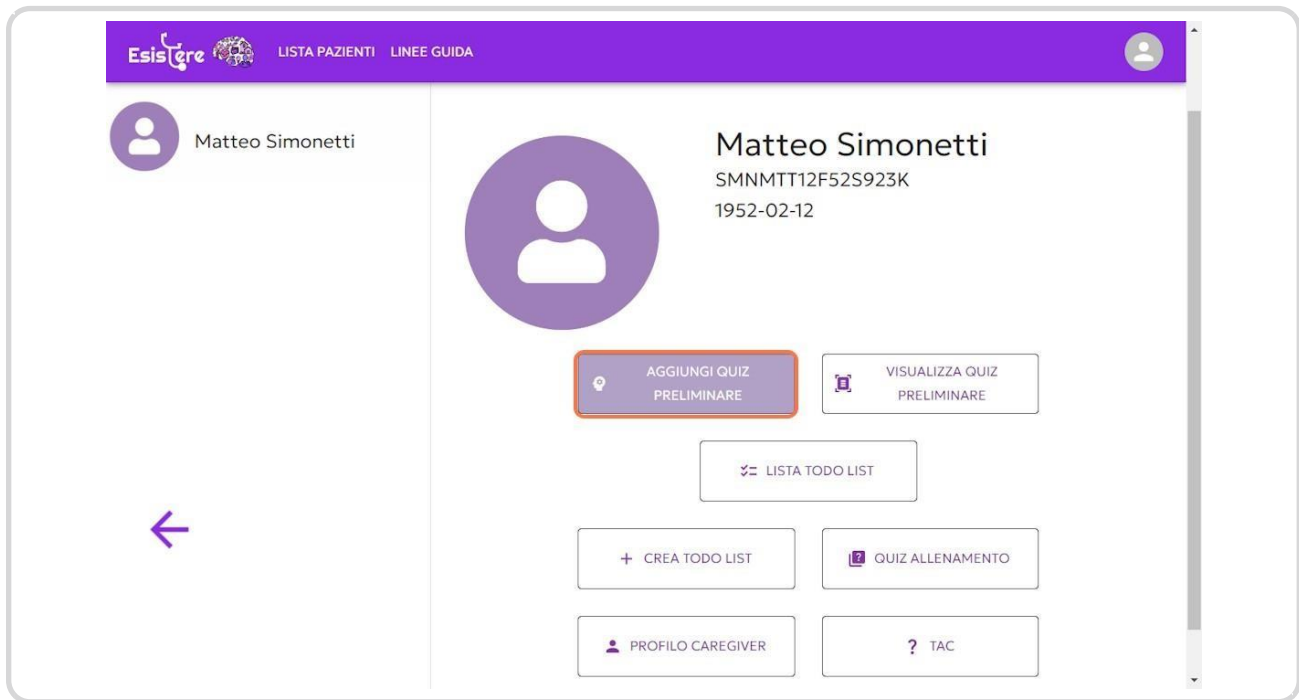

4 Steps

[View most recent version on Tango.us](#) 

---

## STEP 1

Clicca sul pulsante AGGIUNGI QUIZ PRELIMINARE

## STEP 2

**Clicca sul pulsante AGGIUNGI DOMANDA**

The screenshot shows the 'Creazione Quiz Preliminare' (Preliminary Quiz Creation) interface. At the top, there is a purple header bar with the 'Esistere' logo, a menu icon, and links for 'LISTA PAZIENTI' and 'LINEE GUIDA'. A user profile icon is in the top right. The main heading is 'Creazione Quiz Preliminare'. Below it is a text input field labeled 'Numero di domande' with the value '0'. Two buttons are present: 'AGGIUNGI DOMANDA' (highlighted with a red border) and 'CREA QUIZ'. A purple back arrow is in the bottom left corner.

## STEP 3

**Clicca sul campo e inserisci la domanda**

The screenshot shows the 'Creazione Quiz Preliminare' interface after adding a question. The 'Numero di domande' field now shows '1'. A new section titled 'Domanda 1' is visible, containing a text input field with the placeholder text 'Come ti chiami?'. The 'AGGIUNGI DOMANDA' button is no longer highlighted. The 'CREA QUIZ' button remains. The purple back arrow is still in the bottom left corner.

## STEP 4

**Clicca sul pulsante CREA QUIZ**

nanda

me ti chiami?
